Based on a family of four, this limited-time offer starts at only \$31 per person, per day.

Create Memories that Last a Lifetime

The mysteries of the deep are unveiled at **SeaWorld**, a one-of-a-kind journey to the wonders that exist beyond the ocean's door. Guests can take in world-class shows, come face-to-face with Shamu and ride the high seas on state-of-the-art coasters, all at one unforgettable park. And on May 22, SeaWorld premieres the next generation of thrills with Manta, an all-new roller coaster that takes riders on a journey of "seeing to being." Combining the best of the sea and the sky, Manta will seamlessly transition guests from up-close encounters with hundreds of rays to the ride of a lifetime aboard a manta-inspired flying roller coaster.

Aquatica is Orlando's whimsical, one-of-a-kind waterpark that could only come from SeaWorld. Aquatica blends up-close animal encounters with rivers that range from relaxing to racing. The park's signature ride, Dolphin Plunge, sends riders speeding down clear, enclosed slides through a lively lagoon of playful, black and white Commerson's dolphins.
